It makes me very happy to see so many stitchers enjoy the chart I design each year to celebrate my anniversary...29 years in 2017—elegantly simple and from my heart.

- Model stitched on 32ct WDW Dolphin 45x45
 - GAST Uniform Blue
 - ♥ WDW Sanguine
 - WDW Cattail

Finishing:

- Iron lightweight fusible web to back side of stitched piece. Draw a line on back side approx 1 1/2" away from image.
- With right side together sew stitched piece to backing fabric along stitching line, leaving an opening at the bottom.
- Trim corners, turn & press. Stuff & slip stitch bottom closed. Attach the 2 heart buttons.
- I look forward to seeing the variety of colors & finishes that you choose to use for this sweet design. Please feel free to post a picture.

Enjoy the stitch— **Cathy**
