

6" BASE

- cut 3 out of matboard
- cover with cotton fabric (1 blue star & 2 red star)

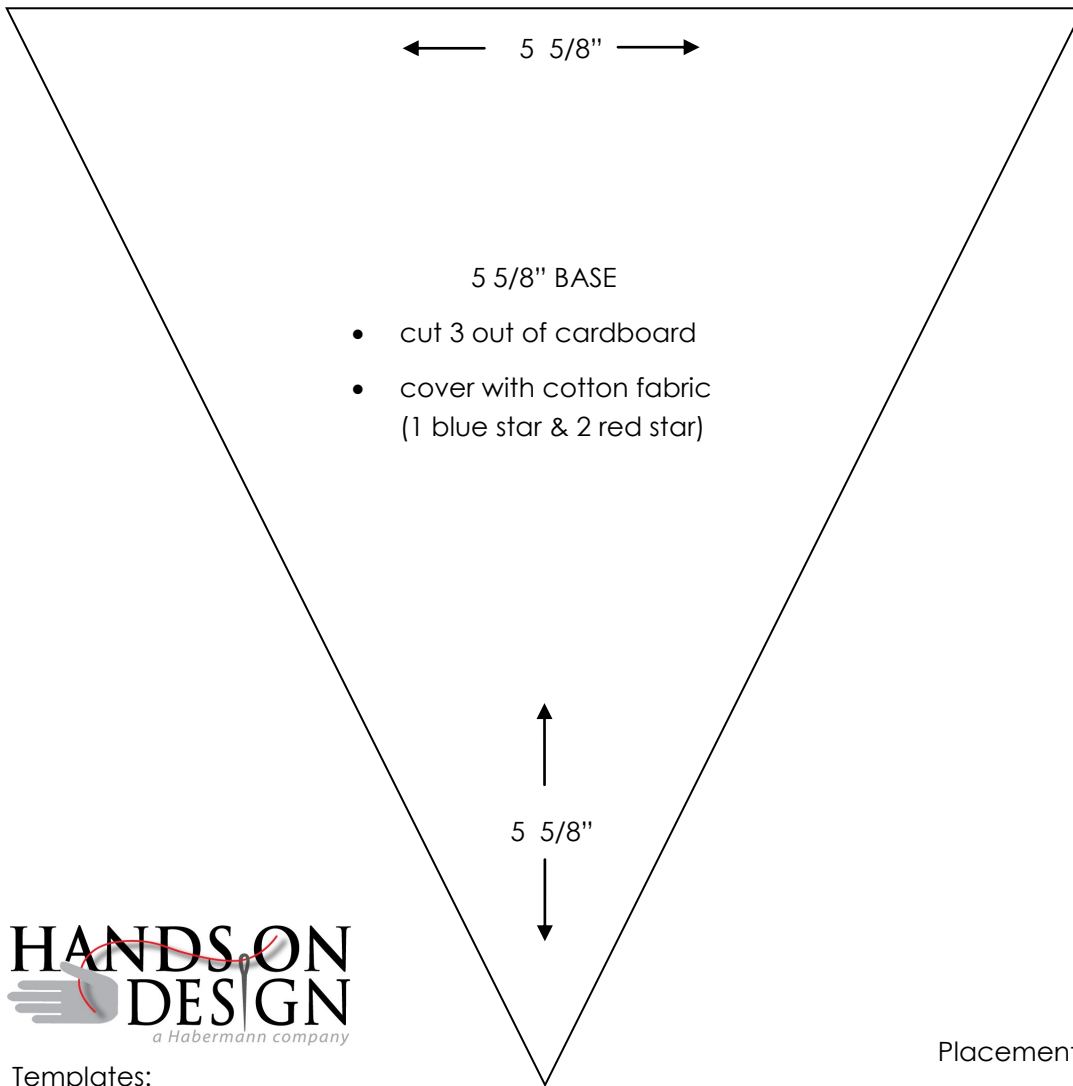

Templates:

- cut 6" & 5" templates out of paper & place on matboard pieces provided in the kit
- Place a ruler along the edge of the paper and draw with a pencil to mark straight lines of the template
- Use an exacto knife and a straight edge ruler to cut out pieces. (score several times to get a good cut—do not attempt to cut through the matboard on the first cut)
- Double check your measurements before proceeding
